Forecast For East of England
Issued by Met Office Exeter
at 1600 on Thursday 05 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showery rain easing overnight. Scattered heavy, thundery showers Friday.

This Evening and Tonight:
Rain or showers this evening gradually becoming more isolated overnight to leave drier interludes, and a some clearer spells. Some strong coastal winds this evening, and generally rather breezy elsewhere, although winds will ease a little. Minimum temperature 14 deg C (57 deg F).

Friday:
Scattered showers on Friday morning, becoming more frequent and heavy into the afternoon with a chance of thunder, however also some sunny spells. Rather breezy at times. Maximum temperature 22 deg C (72 deg F).

Outlook for Saturday to Monday:
Sunny spells and showers, with a risk of thundery downpours, especially on Saturday and Sunday. Breezy. Temperatures slightly below normal.
